Donations can be made in memory of Pippa to the Pippa Quail Community Fund

Pippa was at the heart of her church community at Hope Church Islington and believed passionately in bringing people together as an expression of her faith, nurturing emotional, mental and spiritual wellbeing. Pippa was a leader in offering care and hospitality to anyone who came through our church doors, and Hope is honoured to receive donations in her name to continue this legacy.

The Pippa Quail Community Fund will be used to fund community focused initiatives, such as community lunches, which she pioneered, and also to champion community causes she cared deeply for, including mental health support, support for those who are single, and spaces for prayer, which she continually advocated for during her lifetime.

Donations can be made in cash in a marked envelope, cheque or via BACS with "Pippa" as a reference. The Hope Church Islington bank details are:
